11th April 1913, as the work required professionally skilled D.P.W. officers, it was entrusted to that Dept., the work already executed by the Rev. Dept being estimated at Rs 1541/-. The D.P.W. Agency after further scrutiny, sanctioned another revised estimate for Rs 8418 (Suppdg. Engrs. No. 18 Dy 2-1-15).

Charges of establishment and tools and plant, now claimed by D.P.W. Agency for works executed by them for Rs 6876 (Rs 8418 – 1541) come up to Rs 722-0-4. As the temple has no fund, the Dy. Com^r recommends that the claim may be waived. But towards the actual estimate, the temple will have yet to pay Rs 8418 – 8294 = Rs 124 and the Dy. Com^r is finding funds for this purpose. He therefore recommends that the D.P.W. may waive its claim for Rs promises to adjust this amount after sufficient amount is collected.

Sir,

I have the honour to forward herewith a copy of letter No. 316, dated the 10th December 1921, from the Executive Engineer, [illegible] Division, requesting to place at the credit of the Public Works Department, a sum of Rs 846-0-4, being the balance of the amount of the revised estimate, including charges towards the Establishment and tools and plant.

The Comptroller to whom a reference was made to ascertain the amount of balance at the credit of institution at the end of November 1921, states in his Memorandum No. 1008, dated the 30th December 1921, that the institution had a balance of only Rs 82-0-2 on the 1st July 1921.

Under the above circumstances, I request that orders of Government may be obtained to waive the claim by the Public Works Department for the charges of establishment and tools and plant, amounting to Rs 722-0-4.

A sum of Rs 124/- may still be required to complete the amount of the revised estimate. Orders have been issued to the Amildar of Shikarpur to recover the arrears if any, due to the tenants
